Who is DaySpring?

Two pastors. Two cups of coffee.

One challenging question posed that day in southern California: “What if we only had ten years to impact the Kingdom—what choices would we make?”

That question was the inception of what is now known as DaySpring.

It's a question that still rings throughout the halls of DaySpring world headquarters in Siloam Springs, Arkansas. Every day we ask ourselves, “What choices will we make to impact the Kingdom?”

At DaySpring, we are committed to helping people know and share God's love in fresh, true, and inspiring ways. If, through our efforts, people experience and express the life-changing message of God's love, we've fulfilled the vision born at that coffee shop all those years ago.

STAND-ALONE COUNTER CARDS

A comprehensive program that delivers results!

DaySpring offers a wide variety of themed card lines known as Stand-Alones, and they do just that—they “stand alone” as a line of cards. Each of these card lines has a unique theme with cohesive design, color palette, voice, and overall size which makes an impactful presentation for the card shopper. Look for the “Cards with WOW”

technology-based line that will surprise and delight your consumer with sound, motion, and lights. From the Shepherd-sheep relationship found in Really Woolly, to our card line with best-selling author, Max Lucado, there is something for every card shopper.

16' STAND-ALONE

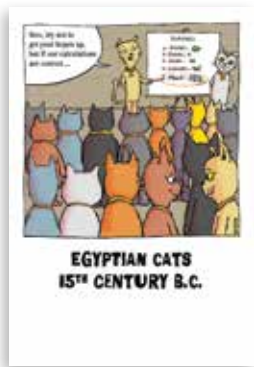

Within the Stand-Alone product mix you will find: new lines, proven sellers, a variety of captions from Birthday to Sympathy, fresh card styles, and competitive price points. These are all factors that result in maximum ministry value and dollars per square foot for your store.

The Stand-Alone product mix takes all the guesswork out of deciding which individual lines will work best for your store. Based on the size of your card department, we'll put together the optimum mix, helping you not only gain profitability but allowing you to focus on other aspects of your card department such as stocking, product presentation, and customer service.
