Seasonal Boxed Cards

Seasonal boxed cards with a broader assortment of designs add variety to the card sending experience. The 24-count assortment boxes feature two different design collections with fresh inspirational messages. The color of the boxes matches the new seasonal card signage. The 24-count boxes are deeper than the normal 12-count boxes and they also have a callout on the front of the box that says “Assortment” which helps your customers distinguish this box from our 12-count boxes.
