Christmas Boxed Cards

Christmas Boxed Cards

Over fifty years ago, DaySpring co-founder, Roy Lessin, went to a movie with his brother, Don, a missionary in Mexico. They were less than impressed with the movie. Don made the statement to his brother, "You know, when you get right down to it, the only thing that really matters is Jesus." DaySpring had never created a card before, but Roy thought this message would work well on a Christmas card.

This profound message launched DaySpring into the greeting card business and continues to encourage millions of people around the world, all these years later.
